TOWN OF HINSDALE

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hinsdale for the fiscal year ended December 31, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Hinsdale at December 31, 1970, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen

Hinsdale, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Hinsdale for the fiscal year ended December 31, 1970, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Water and Sewer Departments, Library, Municipal Court, Cemetery Lot Fund and Playground Committee. The accounts and records of the Trustees of Trust Funds were not examined during the course of this audit. These accounts will be audited at a later date and a supplemental report will be issued at that time.

2/24/71

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1969 and December 31, 1970: (Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1969 and December 31, 1970, are presented in Exhibit A-1. As indicated therein, the Net Debt of the Town decreased by $56,619.63 in 1970, from $113,816.98 to $57,197.35.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt:		
Net Budget Surplus	$30,119.63	
Water Bonds Paid During Year	15,000.00	
Long Term Notes Paid During Year:		
Town Debt	11,000.00	
Water Department Debt	5,500.00	
		$61,619.63
Increase in Net Debt:		
Surplus Used To Reduce Tax Rate		5,000.00
Net Decrease in Net Debt		$56,619.63

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1970, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of $893.64 plus a revenue surplus of $29,225.99 resulted in a net budget surplus of $30,119.63.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1970, is indicated in Exhibit B-2.

Water Department:

Statements showing the financial condition of the Water Department as of December 31, 1970, and the results of operations for the fiscal year then ended, are presented in Exhibits E-1, E-2 and E-3. As stated in Exhibit E-3, Water Department operations in 1970 resulted in a net loss of $1,347.38, exclusive of interest expense of $3,373.75 paid by the Town general fund on the long term debt of the Water Department.

Sewer Department: (Exhibit F)

A summary statement of Sewer Department Treasurer's account is contained in Exhibit F.

Statement of Long Term Indebtedness: (Exhibit L)

A statement of the outstanding long term indebtedness of the Town as of December 31, 1970, showing annual debt service requirements, is contained in Exhibit L.

GENERAL COMMENTS AND RECOMMENDATIONS

Current Surplus:

The Town's current surplus (excess of total assets over current liabilities) increased by $25,119.63 in 1970, from $24,683.02 to $49,802.65, as shown herewith:

	December 31, 1969	December 31, 1970
Total Assets	$311,474.47	$409,225.97
Current Liabilities	286,791.45	359,423.32
Current Surplus	$ 24,683.02	$ 49,802.65

2/24/71

Municipal Court:

Attention is again directed to the provisions of R.S.A. 502:15, which stipulates that the net receipts of the Municipal Court must be remitted to the Town treasurer monthly, on or before the fifth day of each month. During 1970, payments were made to the Town on a bi-monthly basis.

The auditors found that a number of disbursements made by the Court were paid from cash receipts. This procedure is contrary to the rules prescribed by the Administrative Committee of the District and Municipal Courts. Furthermore, certain receipts deposited in the Court's checking account were not identified as to source. It appears that in most instances, these unidentified receipts were payments covering waivers received on complaints which had not been scheduled or disposed of by the Court.

The source of all monies deposited in the Court's bank account should be precisely identified. Disbursements for all purposes should be made by check only.

Water Department:

As stated before in this report, the operations of the Water Department for the fiscal year ended December 31, 1970, resulted in a net operating loss of $1,347.38. In addition, interest expense of $3,373.75 on the long term debt of the department was paid direct from the general fund of the Town. The overall loss from 1970 operations, therefore , actually amounted to $4,721.13.

The current deficit (accrued operating loss) of the Water Department increased by $2,387.69 during 1970, from $125,383.10 to $127,770.79.

With respect to the current financial condition of the Water Department, the records show that operating losses, exclusive of interest charges on outstanding debt, have been incurred for the past eleven consecutive fiscal years, as detailed herewith:

Fiscal Year Ended	Operating Loss
December 31, 1960	$ 7,542.98
December 31, 1961	5,730.60
December 31, 1962	4,476.35
December 31, 1963	4,742.30
December 31, 1964	4,267.83
December 31, 1965	4,072.39
December 31, 1966	1,515.52
December 31, 1967	3,121.24
December 31, 1968	4,415.14
December 31, 1969	1,094.11
December 31, 1970	1,347.38
	$42,325.84

In our audit reports for the past several years, we have repeatedly mentioned the recurring increases in deficit and have indicated the need for increased revenues to sustain all operating costs of the department, including debt service requirements. We have suggested that a comprehensive study of the revenue structure of the department be made. An increase in water rates was recommended in our 1969 report.

It is our opinion that the Board of Water Commissioners should resolve the problem of providing adequate revenues without further delay.

The following accounting deficiencies noted in our previous reports have not been corrected:

1) Detail accounts receivable activity is still recorded in columnar journals rather than on individual ledger cards.

   This system is inconsistent with recommended and accepted business practices as it does not provide outstanding balances in each account. Due to the lack of individual account balances, monthly reconciliation of subsidiary ledgers with the accounts receivable control account is not possible. Because of space limitations new receivable records must be prepared each year, whereas if individual ledger cards were used, it would be possible to utilize the same cards for a period of ten

to fifteen years. Finally, this system is not flexible and does not provide for the orderly addition of new accounts or removal of closed accounts as needed.

In view of the many benefits attending the use of standard individual accounts receivable ledger cards, in addition to the resultant savings in clerical costs, we again recommend the installation of the latter system.

2) Cash receipts are recorded on loose leaf sheets rather than in bound cash books.

In compliance with accepted business practices, all cash receipts should be recorded in bound columnar cash books.

Uncollected water rents at December 31, 1970 amounted to $2,853.77. Of this amount, the sum of $764.17 (approximately 27% of the total amount outstanding) represented charges which were over one (1) year old. It is obvious that collection procedures need to be updated. The standard practice in the management of utilities, with reference to delinquent accounts, is to discontinue services in each instance in which accounts remain unpaid after a specific payment period has expired. The Board of Water Commissioners should implement a policy of this kind; in this matter, there should be no discrimination and water services should be "turned off" in every case until such time as all arrears are collected.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Hinsdale for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante

IN MEMORIAM

FRANK W. WALKER

Former Sheriff Hinsdale Raceway Security Officer Chief

It was with sadness that we learned of the passing of Frank Walker on Sunday, January 24, 1971. He was a very capable and understanding police chief for Hinsdale for 25 years of his life and was assistant fire chief for 10 years.

Mr. Walker was first named Commissioner to perform the duties of Sheriff in 1953 and served in this capacity for 14 years. He was serving as a Deputy Sheriff and Director of Security at the Hinsdale Raceway at the time of his death.

Mr. Walker served three terms in the General Court as a representative from Hinsdale. At the time of his death he was a declared candidate for election as a representative in the upcoming special election to fill the vacancy of Laurence H. MacKenzie, who resigned.

He was born in Hinsdale, January 21, 1899, the son of William and Minnie (Gates) Walker and was graduated from Hinsdale High School in 1918.

Frank Walker will long be remembered as one of the best known law enforcement officers in New Hampshire and fondly by his many friends in Hinsdale.

YOUR SELECTMEN REPORT

1970 was a year to be remembered for many accomplishments for the Town in completed projects. The property revaluation program was by far the most ambitious task for your Selectmen and the most rewarding for the Town.

This undertaking, the first of its kind for the Town, has produced the following needed records for the property assessing office:

1. A file of property and owners with a complete description and fair market value of each piece of real estate and buildings.

2. A land map of the Town.

3. Two large volumes of individual plot plans for each piece of property, and an up-to-date abstract file, with a cross reference of the buyers and sellers of property.

Also, the following statistical facts were developed in the course of this survey:

Total land	13,247 acres	
Total parcels	1,085	
Total Taxpayers	825	

Following 100% value of:

Land	$2,406,395	
Buildings	9,608,007	
Factory Buildings	674,704	
Mobil Homes & Trailers	1,263,228	
Boats	9,740	
Public Utilities	5,688,619	$19,650,693

Following is a cost analysis of the appraisal as produced by our assessing staff, comparing it with the result if the Tax Commission appraisal staff had made the revaluation:

Item	Town	State
Man days worked	300	299
Average daily number parcels	9½	10 3/4
Total parcels appraised	1089	1089
Cost of total appraisal	$5000.00	$16,236.46
Cost per parcel	$ 4.59	$ 14.91
100% Equalized valuation	$19,644,693	$21,280,566
Cost per $1000.00 of equalized valuation	25¢	76¢

By far, we believe this was the most indispensable project achieved in a remarkably economical manner for the Town and at this point we would like to express our sincere

gratitude to Mr. E. Sherman Wright and Mr. Joseph W. McCarthy for their generous gift of time, invaluable counsel and expert knowledge so that our task as assessors was made much easier.

Another landmark for our community was the successful adoption of a zoning ordinance, followed by a reasonable regulation for mobilhomes. The amount of land available for productive development of our community is very limited and for this reason, we sincerely believe this ordinance will form the basis for the orderly and meaningful planning of our town's growth.

For the continuing improvement of our Town, we earnestly support the Manager form of Municipal Government.

We, as a Community, have arrived at a point where the taxpayer deserves a better service for his tax dollar than the one offered by part-time officials. The complexities of the present age demand that a community which is worth approximately twenty million in gross, should have a trained professional Manager for an effective business-like operation of the Town. Of course, with this type of governmen citizen control and participation is not sacrificed, the policy-making role is retained by the Board of Selectmen, and since the people choose the members of this Board, democratic control over the Manager is assured at all times.

We take this opportunity to express our heartfelt appreciation to the many individuals who helped us in making our performance more pleasant.

In resolve, we submit this report to the voters of the Town of Hinsdale, N. H. this Ninth day of March, 1971.

Respectfully submitted,

MARK CHAMBERLAIN

VITO RIZZI

BERNARD MATHEWSON

(Board of Selectmen)

THE STATE OF NEW HAMPSHIRE

******

TOWN WARRANT

To the inhabitants of the Town of Hinsdale qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday the 9th. of March, 1971 at 10 o'clock in the forenoon, to act on the following subjects:

Article 1. To cast your ballots for all necessary Town Officers.

Article 2. To see if the provisions of Chapter 171-A of the revised laws relative to playing games of beano shall be adopted in this town.

Article 3. Do you favor the adoption of the Town Manager Plan of government as provided in Chapter 37 of the Revised Statutes Annotated?

Polls open on the above articles at 10 A.M. and shall not be closed earlier than 7:15 P.M.

******

Action to be taken on the following articles beginning at 7:30 P.M.

Article 4. To see if the Town will vote to accept and adopt the report of the Selectmen, Auditors and other Town Officers.

Article 5. To see how much money the Town will vote to raise and appropriate for the payment of ordinary town charges for the maintenance of the fire department, highways, and for all other necessary expenses arising with the Town. (See Budget)

Article 6. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums, in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year and from taxes collected within the current municipal year.

Article 7. To see if the Town will vote to raise and appropriate the sum of $701.95 to which the State will contribute $4679.67 to be expended on Class IV and Class V road construction.

Article 8. To see if the Town will vote to allow a 3% discount for the first 30 days after tax bill is mailed and a subsequent 2% discount for the next 30 days on payment of taxes, or act in any manner thereon.

Article 9. To see if the Town will vote to confirm and authorize the authority of the Selectmen to sell any property which the Town has acquired through tax sale and tax collector's deed to the Town, or act in any manner thereon.

Article 10. To see what action the voters will take to protect the interest of the Town of Hinsdale in any proposed legislation for taxaction of electric utilities, or act in any manner thereon.--by petition

Article 11. To see if the Town will vote to publish the complete annual report of Trustees of Trust Funds, or act in any manner thereon.--by petition

Article 12. To see if the Town will vote to elect a committee to report at the next annual town meeting their recommendations as to the protection, or relocation of the historical Monument and fence at North Hinsdale, or act in any manner thereon. --by petition

Article 13. To see if the Town will vote to elect a Committee to assume the responsibility for the care and display of the John Smith Indian relic collection, or act in any manner thereon.--by petition

Article 14. To see if the voters are in favor of an ordinance to allow games of baseball, hockey or football, or any games, sports, or exhibitions of physical skill at which admission is charged or donations accepted, to be held not earlier than 1 o'clock in the afternoon, or the opening of theatrical or vaudeville performances or motion pictures not earlier than 2 o'clock in the afternoon in accordance with Chapter 578-5 of Revised Statutes Annotated; or act in any manner thereon.--Selectmen

Article 15. To see if the Town will vote to establish a Planning Board of five (or seven) members with duties as set forth in Sections 1-15, Chapter 36, N.H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town, appropriate recommendations for the promotion and maintenance of the Town's best development. The Board shall consist of one Selectman and four (or six) other citizens appointed by the Selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.--Selectmen

Article 16. To see if the Town will vote to raise and appropriate the sum of $200.00 to the Monadnock Region Humane Society, which services the community of Hinsdale in many ways and is supported almost entirely by donations.--petition

Article 17. To see if the Town will vote to raise and appropriate $200.00 for paint for the GAR Hall used by the Scouts, or act in any manner thereon.--Selectmen

Article 18. To see if the Town will vote to raise and appropriate the sum of $500.00 (Five hundred dollars) to straighten a corner on the Ox-Bow Road, this corner being at or near the Covey house and land, or act in any manner thereon.--by petition

Article 19. To see if the Town will vote to raise and appropriate the sum of $725.00 (Seven hundred twenty-five dollars) to purchase five (5) uniforms for the Police Department, or act in any manner thereon--petition.

Article 20. To see if the Town will vote to raise and appropriate the sum of $965.00 (Nine hundred sixty-five dollars) for the support of the Monadnock Region Association; or act in any manner thereon.--by petition

Article 21. To see if the Town will vote to raise and appropriate the sum of $982.00 (Nine hundred eighty-two dollars) for the Monadnock Family and Mental Health Service for continuing support of that community mental health facility.--by petition

Article 22. To see if the Town will vote to raise and appropriate $1,250.00 (One thousand two-hundred fifty dollars) to take down old plaster ceiling and replace with new sheetrock all finished, paint the exterior with two coats of paint, and check electrical wiring through the North Hinsdale Community building; or act in any manner thereon.
--by petition

Article 23. To see if the Town will vote to raise and appropriate $3000.00 (Three thousand dollars) to be used on the old Chesterfield Road; or act in any manner thereon.
--Selectmen

Article 24. To see if the voters will authorize the Selectmen to sell for $14,000.00 (Fourteen-thousand dollars) 176 acres of land, more or less, owned by the Town of Hinsdale, known as the Hinsdale Town Forest, to the State of New Hampshire for the Pisgah Park Project; or act in any manner thereon.--by Selectmen

Article 25. To see if the voters of the Town will authorize the Selectmen to purchase the so-called Granite State land located between the Town Playground and Hinsdale Heights Development consisting of approximately seven (7) acres, more or less, for the amount of $12,600.00 (Twelve thousand six-hundred dollars); or act in any manner thereon.--by Selectmen

Article 26. To transact any other business that may legally come before the meeting.

Given under our hands and seal in said Hinsdale this Thirteenth day of February, 1971.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions. Fires that did occur were, for the most part, caused by debris burning, children and smokers. The elimination of these three causes of forest fires would drastically change this picture--to bring about this change we make the following suggestions:

1. When the ground is not covered with snow, a permit to burn must be obtained from the Forst Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 AM and after 5:00 PM with the following exceptions: Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of yourchild. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires	244 acres
DISTRICT	33 fires	32 acres
TOWN	1 fire	1 acre

Submitted,

R. BURNS, District Fire Chief

ROBERT N. HOWE, Forest Fire Warden

REPORT OF PLAYGROUND COMMITTEE

Balance on hand, December 31, 1969			$1005.28
Received:	Lions Club	$174.36	
	Auction items sold	15.00	189.36
			$1194.64
Expenses:	Little League Insurance		74.00
Balance on hand, December 31, 1970			$1120.64

Day Camp and swimming pool was opened during the summer months under the direction of Esther DeAngelis and Ann Rogers, which attendance broke all records.

The Field House is now under construction and will be completed this Spring, with a new look.

Plans are under way to make this coming Fourth of July Celebration one of the biggest ever. The ground space will be enlarged to accommodate more people; rides, more booths, etc. are also planned.

Last year the Celebration was leased to the Lions Club for that one season, on an experimental basis. This coming year and in the future, the Celebration will be put on by the Playground Committee and all proceeds from the Celebration will be spent for the improvement of the grounds.

This past year, there has been between $400 and $500 damage done to the grounds such as broken windows and doors in all buildings, rest room bowls broken, Little League fence torn apart, swimming pool filled with stones etc. which clogged up the filter. These damages are under investigation by the local police and the guilty party or parties, will be prosecuted.

All buildings will be repainted and all repairs made during the Spring of 1971.

Respectfully submitted,

JOSEPH DEANGELIS, Treasurer
For the Committee

REPORT

I am very glad to report, that during the year 1970, there were very few serious crimes in Hinsdale. Through the cooperation of the New Hampshire State Police Narcotics Squad, we were able to apprehend two of the largest drug pushers in our Town. Most all Towns have drug problems, but, I think the teenagers in Hinsdale are too intelligent to let the drug abuse get to them. Our Department will do its best to keep drugs out of Hinsdale, but we need and must have the cooperation of all of the parents and all of the citizens, to accomplish this.

The accident rate is down this year and it has been at a minimum during the last stormy weeks.

We are still receiving splendid cooperation from the Brattleboro Police Department, the surrounding local Departments, the Cheshire County Sheriff's department, the State Police and the Rescue Units.

I am rounding out my fifth term as Chief of Police of Hinsdale and I want to thank the various law enforcement agencies and people of Hinsdale for their cooperation.

ROGER A. EASTMAN, CHIEF

HINSDALE PUBLIC HEALTH NURSING ASSOCIATION

Following is a report of the activities of the Association from January 1, 1970 to December 31, 1970.

Home Visits to Patients	725
School children attended in office	835

The Tine test (skin testing for Tuberculosis) was done in November on 61 adult personnel in the school system.

A Clinic for German Measles (Rubella) immunization was held in March with 259 children from Kindergarten through fourth grade receiving the vaccine.

In May, a general Immunization Clinic was held for children of preschool age through Second grade, and 83 immunizations were given. Vaccine material for the above clinic was obtained from New Hampshire Department of Public Health, and the Nursing Association sponsored the Clinic. Dr. John Houpis, school physician was the attending doctor, and volunteer help from members of the association was used.

Periodic meetings of the officers and members of the association have been held during the year, and considerable time has been spent by these people in an effort to keep our agency certified for participation in the medicare and medicaid program.

The Nurse and Treasurer, Mrs. Carmen Tupper, attended a Blue Cross-Blue Shield meeting in Concord in October. This meeting was concerned with eligibility of patients for medicare and medicaid payments for services rendered.

During the year, 270 school physical examinations were done by Dr. Houpis, with the Nurse assisting.

The Nurse performed Audio screen testing on 466 children. A new "Maico" machine has been purchased this year for the sole use of Hinsdale schools.

Visual screen testing was done by the Nurse on 542 children, and we now have up-to-date equipment for vision and hearing testings, making for more accurate detection of defects, and consequent referrals for evaluation.

I wish to thank all members of the Association and others who have helped me in any way.

Respectfully submitted,

(Mrs.) Bertha C. Bradbury, R.N.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 12th day of March, 1971, at 2:00 o'clock in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the ensuing year.

   A clerk for the ensuing year.

   A member of the school board for the ensuing three years.

   A treasurer for the ensuing year.

Polls open at 2:00 P. M. on March 12, 1971, and close not earlier than 7:00 P. M. on March 12, 1971.

You are hereby further notified to meet at 7:30 P. M. on March 12, 1971 at the High School to act upon the following subjects:

2. To receive the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose an auditor and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the district.

5. To see if the district will vote to authorize the School Board to apply for, to accept, and to expend, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

6. To transact any other business which may legally come before this meeting.

Given under our hands at said Hinsdale this 10th day of February, 1971.

Eugene E. Gaffey)
Edward Kondrat) School Board
Lawrence J. Enright)

Audited and Approved August 20, 1970 by Paul Aust

Carroll K. Dunham
Principal

August 25, 1970

Hinsdale School Board
Hinsdale, New Hampshire

I have examined the books of Hinsdale Schools as of June 30th, 1970 and the treasurer's report for the year then ending.

This examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the bank balances of various departments, and the income and disbursements were correctly recorded.

Respectfully submitted,

Paul O. Aust

Administrators' Report

This report again combines the accounts of the principals and superintendent. It is hoped that in this way the reader can be spared from unnecessary duplication. The scope of this narrative is not intended to be all inclusive but rather an attempt to summarize some pertinent areas of the educational program and services.

Few will argue that an erosion of the quality of a community's educational system will eventually damage its social structure and economic well-being. The total cost of a mediocre education as compared with quality education is difficult to determine. It is known however, that the total cost of failure to provide adequate support for our schools is higher than most people can imagine. On the other hand, our people have the right and the responsibility to require that the schools be accountable for educational progress and achievement in return for their support.

Elementary School

Enrollment

September enrollment was 544 which was an increase of 25 over the previous September's enrollment. As in previous years our peak enrollment was reached in November with 558 students.

Grand Total 558

Staff

Mrs. Robin LaRoche, a 1970 graduate of Keene State College, joined our staff in September as a teacher in Kindergarten.

Mrs. Patricia Targett, a 1970 graduate of Keene State College, became a member of our staff as a teacher in Grade 1.

Miss Theresa Mello, a 1969 graduate of the University of Massachusetts joined us as a teacher in Grade 1 after a year's experience in Waterbury, Connecticut.

Mr. Edward Moreau, a June graduate of Keene State College, became a teacher in Grade 4.

Miss Susan Campbell joined our staff in January 1971 as a teacher in Grade 6. Miss Campbell attended Nasson College and graduated from Keene State College.

Guidance

Our pupil personnel team consisting of the school psychologist, the principal, the reading specialist, the school nurse and the classroom teacher of the child being discussed, continues to be the focal point in providing guidance services for our boys and girls. This year Dr. Howard Buss from the Hampshire County School is our psychologist and is meeting with our team three mornings each month. This additional time has allowed us to better serve the children. Mr. Gallagher is currently taking a course with Dr. Riggs, Chief Psychologist of Mental Health Services in Concord, which will qualify him as a specialist in intellectual assessment.

Speech Therapy

Title I monies are again providing speech correction services for the equivalent of one full day each week. Mr. John Stewart, our speech therapist, is associated with the Crotched Mountain Rehabilitation Center. He is assisted by Mrs. Hazel Rubeor who is conducting language development lessons each morning for about 20 children. Also helping in the program is Mrs. Patricia Haselton who is responsible for daily individual speech correction exercises with the children in the program.

Curriculum

This fall in an effort to update our science curriculum we began the adoption of the Elementary Science Materials developed by the Education Development Corporation. This program emphasizes the discovery approach to science and is activity centered. Children work with the materials and "discover" the scientific principles for themselves.

In Language we have completed the purchase of the Roberts English series for grades 2 to 6. This program continues in the high school in Grades 7 and 8.

In the Social Studies area, we have adopted the new series Investigating Man's World published in 1970 by Scott, Foresman. This program encourages children to study families, communities, regions and nations using all social studies disciplines (anthropology, economics, geography, history, political science and sociology). The program is constructed so that children will be actively involved in the learning process.

Secondary School

In June 1970, 45 seniors were graduated from the High School. The following people received their diplomas.

Graduates

Ernest Marvin Barrett
Frank Bonnett, Jr.
Arthur Joseph Boudreau
David Earnest Bradbury
Robert Owen Brinck
Frederick Paul Burdo, Jr.
Alan Guy Butler
Sheila Marie Catozzi
Gail Ellen Dascomb
Kenneth Malcolm Delano
Carol Ann Gembarowski
Glenn Anthony Gerry
Laurel Lee Gragen
George Louis Graham
Margo Mattie Hamilton
Donna Rae Hill
Harvey Ivan Jackson
Michele Denise Jones
Richard Jerome Kane
Steven Robert Kenny
Mary Katherine Kmet
Linda Marie Liimatainen
Stanley William Mason
Jeanette Theresa McCauley
Mary Catherine Nesbitt
Katherine Lynn Newman
Marilyn Elizabeth O'Neal
Debra Jean Parker
Joseph Pierre Passeneau
Cathy Ann Pawelczyk
Gregory Paul Pelloni
Censeri Perry
Norma Jean Pratt
Patricia Eunice Poirier
Anita Louise Robare
John Dell Smith
Sandra Lee Spiak
Susan Marion Stanclift
Candace Jane Stephens
Melanie Stetson
Donna Marie Suskawicz
Richard Edward Tacy
John Phillip Whittle
Dennis Joseph Willette
Cheryl Johnson

Forty seven percent of the Class of 1970 are presently enrolled in post secondary schools. Seven class members are in the armed services, three are married and fourteen are employed.

Enrollment

At the halfway mark of our present school year, January 22, 1971 our enrollment was as follows:

7	8	9	10	11	12	Total
90	63	74	52	42	49	370

Our present High School enrollment shows a net increase of thirty four Students over our 1969-70 enrollment figures. At the beginning of the next academic year, we expect our high school student body to increase by twenty three students. This will give us a total of three hundred ninety three students in grades seven through twelve.

Psychological Services

Psychological services here at the high school have improved immensely this year. For the first time we have a psychologist on a regularly scheduled basis. Our association with Dr. Howard Buss has proven to be professionally beneficial to our school.

Staff

Six new staff members joined our 1970-71 High School faculty.

Mr. Edward Stokel joins our Math Department. Mr. Stokel graduated from Keene State College.

Mr. Richard Bond is also a new member of our Math Department and is a graduate of Plymouth State College.

Miss Cynthia Graves is teaching in our Business Education Department and is also a Plymouth State College graduate.

Mr. Michael Abbott, a Brown University graduate, joined our Social Science staff.

Mrs. Marilala Millar is teaching our new Humanities course and English. Mrs. Millar is a graduate of Mt. Holyoke College.

Mr. Jack Muir comes to us from Western State College in Gunnison, Colorado, and is teaching business subjects.

Mrs. Mary Mexcur, a Keene State College graduate, is teaching Junior High Social Studies and English.

Mr. Harrison Baldwin, a former member of our English staff, has become our Guidance Director. Mr. Baldwin is a graduate of Norwich University with a Masters Degree from Keene State College.

Curriculum

As I have stated in past reports, we have been in a continuous program to up-grade our general English curriculum. I am pleased to state that with the start of the new school year the High School will have a completely up-graded English program for the non-college students in grades 7-12.

Our two new course offerings for this year, Humanities for selected college bound seniors, and Math Survey which was instituted for non-college upper classmen, both have proven to be successful.

The Humanities course meets two periods a day for two credits. Primarily, the course comprises extensive study in English, Music, Art, Architecture, Philosophy, Religion and the Performing Arts. Emphasis is placed on independent study and intra-class discussion.

Our Math Survey course is designed to meet the needs of those Students whose formal education is terminal at the twelfth grade. A general and practical approach to mathematics is the basis of this course. The content is determined by those students enrolled. Next Fall we hope to add to our mathematics curriculum a course in computer science and statistics.

Buildings and Budgets

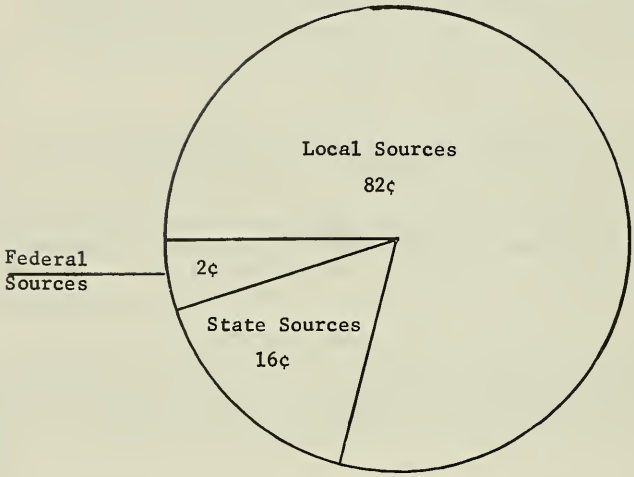
The budget proposed by the School Board for the 1971-72 fiscal year is an attempt to reflect the prevailing economy of the area. As a matter of fact, the four and one-half per cent increase in this year's proposed budget is the lowest percentage in at least a decade.

The major portion of the school budget (65%) is spent instructing our young people. Debt service and fixed charges, which use up another nineteen per cent, must be paid by law. Another six per cent is needed to operate and maintain a million and a half dollars worth of buildings and contents. After adding four per cent to transport pupils, we have six per cent left over for such things as health services, student body activities, capital expenses, and any other expenses.

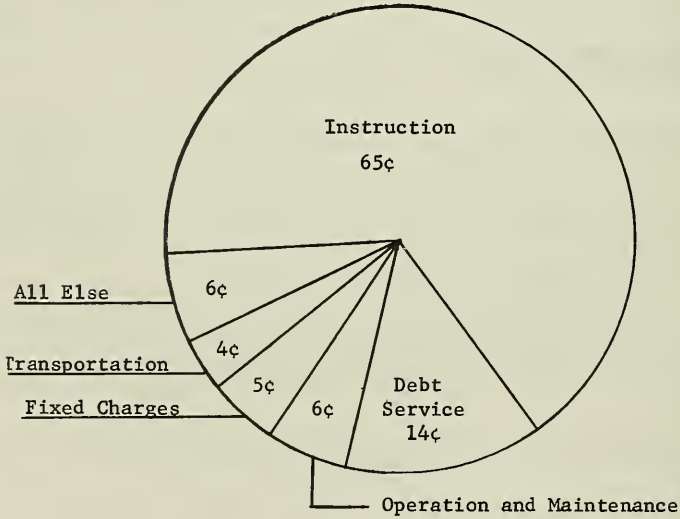
Classrooms, which were eliminated from the last building program because of limited borrowing capacity, are needed to ease the crowding at the high school. However, the present economic conditions seem to dictate that another addition, although a small one, should be delayed.

The illustrations which follow show where the money for supporting the schools will come from and how the budget dollar is spent.

WHERE THE MONEY COMES FROM



HOW THE MONEY IS SPENT



The tax burden on the individual property owner in Hinsdale is becoming intolerable. It will become more intolerable if the state's present fiscal structure is not changed. The tax rates required merely to operate a school district in New Hampshire are as inequitable and diverse as is the quality of education among the districts. The districts low in property tax resources are required to pay disproportionally high tax rates to support even a minimal educational program. Whether the public schools in the State will be able to continue to meet the needs of growing enrollments and the needs of an increasingly complex technological economy is a question of crucial importance.

Carroll K. Dunham

******

We, the Selectmen of the Town of Hinsdale, want to publicly express the thanks of our department and of the townspeople for the services that Ray Fletcher has rendered to the Town, positions from which he retired during 1970.

Mr. Fletcher was Supervisor of the Checklist for 50 years and a member of the Fire Department for 60 years.

Many, many thanks to Ray Fletcher!
